Reusable Stainless Steel Cable Tie with PPA Coating

Material : AISI 304/316 Stainless Steel with PPA coating

"RT-P" SERIES CABLE TIES are manufactured from high strength, corrosion resistant 304/316 stainless steel coated with PPA.

The "RT-P" series provides quick and easy installation. The design is convenient to unfastening for reuse.

PPA Coating is serving the purpose of excellent chemical resistance, all weather resistance, fire-retardant, long life expectancy, UV-resistant, non-toxic and low smoke halogen-free.

It is now recognized that smoke and poisonous fumes are often a greater risk to life and property than the fire itself. In view of this, PPA coating offer no emission on Halogen and low smoke emission properties.

Reusable Type Stainless Steel Cable Tie With PPA Coating							
Part No	Maximum Bundle Diameter		Approximate Width		Approximate Length		Loop Tensile Strength
	Inch	mm	Inch	mm	Inch	mm	lbs
RT-630152_-P	1.5	38	1/4	6.3	6	152	75 / 300 *
RT-630229_-P	2.5	63	1/4	6.3	9	229	75 / 300 *
RT-630305_-P	3.4	86	1/4	6.3	12	305	75 / 300 *
